- 8.2 The Subscription Price represents a 10.2% discount to the Volume Weighted Average Market Price of \$0.445 recorded over the period comprising the last five (5) days on which trading in Shares were recorded immediately prior to the announcement of the SPP on 29 July 2026.
- 8.3 The New Shares are a speculative investment and the Market Price of the Shares may change between the Opening Date and the Issue Date. This means that the Subscription Price you pay for the New Shares may exceed the Market Price of the Shares at the Issue Date. Saturn does not make any assurance as to the Market Price of Shares and there can be no certainty that Shares in Saturn will trade at or above the Subscription Price following the Issue Date. Shareholders should seek their own financial advice and/or taxation advice in relation to this Offer and participation in the SPP.
- 8.4 No brokerage, commissions, stamp duty or other transaction costs will be payable by Eligible Shareholders in respect of an application for, and an issue of, New Shares under the SPP.
- 8.5 Saturn may pay brokerage and other commissions in respect of any subscriptions procured in respect of the SPP, as determined by the Board in its discretion.

9. Rights attaching to New Shares

- 9.1 All New Shares issued under the SPP will be issued on the same terms as other Shares quoted on ASX and once issued, will rank pari passu with existing Shares. Saturn will apply for the New Shares to be quoted on ASX. It is anticipated that New Shares issued under the SPP will be quoted on ASX on, or shortly after, the Issue Date. Holding statements for the New Shares issued under the SPP will be sent to Eligible Shareholders who have participated in the SPP. If you trade any New Shares before you receive your holding statement, then you do so at your own risk.

10. Non-residents

- 10.1 The right to participate in this Offer under the SPP is available exclusively to persons who were registered as holders of Shares at 5.00pm (AWST) on the Record Date and whose registered address was in Australia or New Zealand.
- 10.2 Eligible Shareholders who are not residents of Australia should consult their professional advisers as to whether any formalities need to be observed (either by them or Saturn) to enable them to apply for New Shares. It is the responsibility of such Eligible Shareholders to obtain all necessary approvals so they may legally apply for New Shares. The forwarding of payment of the Application Amount using BPAY® or EFT from a non-resident Eligible Shareholder will be taken by the Company to constitute a representation and warranty by that Eligible Shareholder that all relevant approvals have been obtained and that Saturn may legally offer the New Shares to that Eligible Shareholder.

11. Underwriting Agreement

The Company has entered into an underwriting agreement with Petra Capital Pty Ltd (**Petra**) (**Underwriting Agreement**), pursuant to which Petra has agreed to underwrite the Offer. For the avoidance of doubt, the underwriting only relates to the targeted raise of up to A\$5 million (before costs) pursuant to the Offer and does not apply to any oversubscriptions pursuant to

the Offer. This means, for example, that if A\$5 million or more (before costs) is raised (pursuant to the Offer) from Eligible Shareholders who accept the Offer and which acceptances the Company approves and issues New Shares for, then no New Shares will be issued to Petra pursuant to the underwriting under the Underwriting Agreement. There is no fee payable to Petra for the underwriting of the Offer.

Petra may at any time, by notice to the Company, terminate the Underwriting Agreement if various termination events occur, including the outbreak of hostilities or escalation of hostilities involving Japan, USA, Taiwan, Ukraine, any member state of the European Union, any member state of NATO, Russia, Israel, Iran or China, the S&P/ASX 300 Index falling by more than 10%, a material adverse change, a disruption to financial markets in Australia, USA, the United Kingdom, the European Union, Japan, Hong Kong or Singapore, trading on ASX, LSE, NYSE, Tokyo Stock Exchange or Singapore Stock Exchange is suspended or limited in a material respect or there is a material adverse change or disruption to financial, political or economic conditions, currency exchange rates, control, or financial markets in Australia, USA, UK, Japan or Singapore, a change in management or misleading or deceptive statements in offer documents.

The Underwriting Agreement also contains other standard terms and conditions for an agreement of this nature including the Company providing customary representatives, warranties and undertakings. A summary of the Underwriting Agreement is contained in the Company's announcement released on 29 July 2026.

The underwriting (and the sub-underwriting) is proposed to occur within the Company's ASX Listing Rule 7.1 placement capacity. It is not anticipated that the Offer (or its underwriting or sub-underwriting) will have a material impact on the control of the Company.

12. General

- 12.1 The Board may change or terminate the SPP at any time prior to the Issue Date. If the Board does so, it will advise the ASX. Any omission to give notice of changes to, or termination of, the SPP, or the non-receipt of any such notice, will not invalidate the change or termination.
